Favorite Quote (Chapter 1):

“It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of light, it was the season of darkness, it was the spring of hope, it was the winter of despair.”

Interesting Auto-Generated Sentences:

- The resemblance to him; spectators in and the hill-side, and hope--so exactly what submission, lamentation, succeeded one man who scratched
- The more he was lying horribly in conversation that Paris is enough perhaps another question with your life as
- The third morning light of the people came unbidden into its ugliness, proud of us together until they were in
- The fingers knitted, and saying, or it away to the questioner, before them, and severity to bed, until nightfall,
- The watchful of this doctor's wife, though plain, were at Calais and of complete rest. At midday, the dominant prison
- The answers to one little supper. He added, by saying: “This is living, and entered the sadness and with herbs
